Olde Main Dinky Wheat - Flavors come from coriander seeds, chamomile flowers, orange peel, and a closely guarded secret ingredient. A light kiss of hops balances the slight wheat sweetness.

Goose Island Honkers Ale - Inspired by visits to English country pubs, Honker's Ale combines a fruity hop aroma with a rich malt middle to create a perfectly balanced beer. Immensely drinkable, Honker's Ale is not only the beer you can trust but one you'll look forward to time and again.
