

# Catering Menu

Our catering is “smoking” hot

The Branding Iron believes in making your event worry free. We remember what most caterers forget about...you!

This is your event and you want it to be spectacular and we're here to help you do that.

Request samples of our food prior to making your menu selections – free.

Bring special recipes to us and we'll make it for your event.

Set up, clean up and serving are all included in our services, not extra costs.

Friendly, reliable and professional staff.

Complete event coordination available upon request
