Thank you for considering The Branding Iron for your event. A full service caterer offering complete party planning, The Branding Iron can provide trained servers, kitchen staff and bartenders for any occasion.

Included is a selection of our most popular items. However, it is only a guide to our capabilities and we will be happy to assist in creating a custom menu based on your particular needs.

From the simple backyard barbeque to the special event, we at The Branding Iron can help you with all the details.

You may be familiar with our food from eating at our restaurant or from attending an event we catered. Reviewing both specialty items and our set menus will give you an idea of the many options available. Regardless, if you have any questions or would like to receive a list of references, please do not hesitate to call.
